

Slimline and 410 Ranges

safe food storage at affordable prices

The new Slimline range offers all the performance and quality you would expect from Foster. This new range provides two new cabinet models in addition to the existing 410 cabinet, designed to cater for all your refrigerated food storage requirements but at a highly competitive price.

410 Space Saver Cabinets

The low cost Foster 410 range is perfect for the smaller business or for large chains where budget is always front of mind with a specification that outshines all other budget products on the market.

- Professional specification at value-for-money prices designed to meet your budget
 - Ideally suited to smaller outlets such as cafés or takeaways
 - Slimline footprint (i.e. non-gastronorm) for narrow work spaces or difficult access
 - Choice of two storage temperatures, refrigerator +3/+5°C and freezer -18/-21°C
 - White laminate exterior as standard (430 stainless steel option available)
 - Aluminium interior as standard
 - Removable gasket for easy cleaning
 - Door lock for security
 - Roller castors to rear as standard for easy mobility
- Options include:
- Glass door with or without interior light
 - Left hand door hinging

● Storage Cabinet 410 stainless steel optional finish

● Storage Cabinet 410 standard white laminate finish

Slimline Cabinets

The new range of Foster Slimline cabinets are a perfect introduction to high performance, high quality commercial refrigeration at a very attractive price.

- Two capacities - one door, 400 litres and two door 800 litres
- Two temperatures - +1/+4°C refrigerator and -18/-21°C freezer
- Electronic temperature display for accurate control; with LED display for easy visual reference, recessed for protection
- Bottom mounted refrigeration system draws air from the cooler part of the kitchen ensuring efficient operation and lower running costs
- Forced air refrigeration for efficient operation, even temperature distribution and food recovery
- Automatic defrost for hassle-free operation
- Removable door gasket
- Foster build quality for durability in use
