

# EcoPro G2 600 Litre Broadway Upright Undermount Refrigerated Cabinet EP820HU

#### Temperature

600 Litres

## Weight

Unpacked: 121 KG Packed: 133 KG

## Features & Benefits

We've revolutionised professional refrigeration... again. Built from the ground up to include over 50 new features and innovations, the EcoPro G2 is loaded with new design, quality, reliability efficiency and performance features.

- Provides an alternative format for high ambients as it takes cooler air from floor level
- All new thicker and more robust cabinet design with advanced thermal efficiency and market leading capacity making your money go further
- New 'smartphone style' touch sensitive hidden-until-lit control panel with unique high visibility temperature display combines sophistication with functionality
- All-new ergonomic door and handle design for ease of opening and cleaning
- Designed using high technology: 'Fluid Food-Fresh Dynamics' modelling, the new and improved advanced Foster Circulair Il air distribution system maximises efficient operation even when shelves are fully loaded
- Brand-new refrigeration system designed to be the most technologically advanced and energy efficient yet

External Finish		Doors		Electrical, Energy and S
304 Stainless Steel	Option	Solid Full	Standard	Information
Stainless Steel	Standard	Hinged - Right Hand	Standard	230 Volts
304 Stainless Steel Rear	Option	Hinged - Left Hand	Option	50Hz
or Island Siting		Dofrigoration		60Hz
Internal Finish		Refrigeration		1 Phase
		R290 (Hydrocarbon)	Standard	Running Watts
304 Stainless Steel	Option	R134a	Option	Running Amps
Aluminium	Standard			Thermal Heat Rejection (W)
Shelving				Noise (dBa @ 1m)
GN 2/1 Quantity:	3 Standard			Fuse Required (A)
Shelf				Refrigerant charge
Additional	Option			Global Warming Potential
Shelf				Energy Efficiency Index
Base Fittings				
80mm Castors	Option			
150mm Legs	Option			
Roller Castors	Standard			
150mm Legs Roller Castors

## Footnotes

- Optional castors supplied as standard increase overall height to 2070mm
- 150mm castors are not available if product is supplied less condensing unit
- Adequate airflow and service space must be kept above the top of cabinet: 150mm.
- Depth with door open is 1500mm
- Decibel rating measured 1m high from the floor and 1m out from the cabinet.
- Marine kit option includes legs, bulkhead brackets & marine shelves.

#### Application

This appliance is intended for use in ambient temperatures up to  $40 \left[\frac{2t}{2t}\right] C$ 

#### Safety

Precautionary instructions and maintenance advice, to ensure efficient operation, can be found in this products operating instructions.

#### Recycling

For recycling and end of life care for this product, please refer to environmental section of the website or visit www.fosterrefrigerator.co.uk/Foster-OurPolicies.asp
