> Specifications

The LG2/150GCS is a low height plug ready cooling cabinet with 1 hinged stainless steel glass door (left or right) and has a internal volume of 150 ltrs.

This extra energy saving Maxiglass bottle cooler has a lower power consumption and allows you to save up money. The cabinet is fitted with two shelves for storage of cans or bottles. Silver grey skin plate is used for the interior of the cabinet. LED-lighting is mounted in the cover. Standard features are: digital electronic thermostat, automatic defrost, exchangeable magnetic gasket, maintenance free condensor and mechanical door lock. The glass door is double glazed. Optional: wine shelves.
