> Specifications

The MG2/150DD is a plug ready cooling cabinet with 1 hinged solid door (left or right) and has a internal volume of 150 ltrs. This extra energy saving Maxiglass bottle cooler has a lower power consumption and allows you to save up money. The cabinet is fitted with two shelves for storage of cans or bottles. Silver grey skin plate is used for the interior of the cabinet. For the exterior anthracite coloured skin plate is used. LED-lighting is mounted in the cover. Standard features are: digital electronic thermostat, internal illumination LED, automatic defrost, exchangeable magnetic gasket, maintenance free condensor and mechanical door lock. Optional: wine shelves.
