> Specifications

The MG2/150G is a plug ready cooling cabinet with 1 left or right hinged glass door and has a internal volume of 150 ltrs. This extra energy saving Maxiglass bottle cooler has a lower power consumption and allows you to save up money. The cabinet is fitted with two wire mesh shelves for storage of cans or bottles. Silver grey coated skin plate is used for the interior of the cabinet. For the exterior anthracite coloured skin plate is used. LED-lighting is mounted in the cover. Standard features are: digital electronic thermostat, automatic defrost, exchangeable magnetic gasket, maintenance free condenser and mechanical door lock. The glass door is double glazed. Optional: wine shelves.
