WINE CABINET

The Foster Vino Cabinet is the ideal choice for those looking to store large quantities of wine in a stylish way.

- Lockable door for maximum security
- Massive capacity 156 75cl. bottles with a slim footprint
- Black coated steel exterior and curved glass door make the Vino suitable for front of house locations allowing maximum impact
- Anti UV ray lighting and double glazed door protect against content spoilage
- Coloured fluorescent lighting - warm lighting improves display
- Plastic coated sliding shelves for safe storage
- Shelves can be flat or tilted for maximum product visibility and capacity
- Single or multi temperature functionality - store wine at different temperatures in the same cabinet!

MULTI-TEMP

+12/+14°C
+10/+12°C
+8/+10°C
+4/+6°C
+2/+4°C

MONO-TEMP

+8/+10°C

The Vino cabinet cleverly allows the user to choose between two temperature settings:

Multi Temp: The new, intuitive Vino controller allows a variety of wines to be efficiently stored at different temperatures at the same time within the cabinet.
*Mono Temp: Choose a single temperature setting for the whole cabinet.*
