

Product Code: GRL1H 24-101

with Floor and ramp

Features & Benefits

- Large quantities of chilled or cooked food moved quickly and easily
- Efficient and accurate microprocessor control of storage temperature and defrost system
- Forced air refrigeration means even temperatures for safe food storage, even at ambient temps of 43°C
- Easy to clean. The storage compartment has smooth surfaces and coved corners with separate fan housings
- A number of different trolley sizes can be accommodated to offer a greater choice of storage
- Minimising handling of food increases the level of hygiene and food safety
